

## WE ARE LOOKING FOR NEW BOARD MEMBERS

At Dart Harbour & Navigation Authority, we are a Trust Port, with statutory responsibilities for the safe management and conservancy of the River Dart. As a Board we determine the strategic policies of the Authority.

We are seeking applications for new Board Member posts. Do you have a broad range of personal and professional skills. Do you have drive, vision, independence and confidence? Do you have an ability to make a constructive contribution to group strategic thinking? Can you take tough decisions, stand by them and set strategic direction? Then you may be who we are looking for!

We would particularly welcome applications from you if you have merchant shipping, structural engineering or human resources experience. Other experience that is useful but not essential includes: Commercial expertise; Health and Safety; Management; Public relations; Shipping; Fishing; Finance; Management Accounting Industries; Leisure, boating management; Environmental experience. Experience of board membership may be helpful, but is not essential.

These positions are unpaid voluntary public appointments and are open to people from all walks of life, who want to make a positive difference to the River Dart.

Please contact Penny Johns at the Harbour Office for an Application pack and further details. You can also download an application pack from [www.dartharbour.org](http://www.dartharbour.org).
