Please complete this form and return to:  
Dart Harbour, Harbour Office, 6 Oxford St. Dartmouth. Devon TQ6 9AL or email: [info@dartharbour.org](mailto:info@dartharbour.org)

## DHNA Yacht Rally Berthing Policy

- During our busiest periods berths are strictly allocated by River Officers on a first come first served basis ONLY.
- Berths may only be reserved in the Dartmouth/Kingswear area of the harbour outside our busiest periods by bona fide clubs and associations with generally 8 boats or more. 'Busy periods' means events such as regatta's and music festivals. Organisers of rallies are encouraged to apply to DHNA who will look at this on a case by case basis and confirm if a booking is available.
- To reserve berths, payment up front, in full, for all the visiting boats associated with the rally must be secured in advance by DHNA from the club or association applying, with a detailed list of boats being provided well in advance. Mooring fees can be confirmed by the harbour office or via our website at [www.dartharbour.org](http://www.dartharbour.org)
- The mooring fees will only be re-fundable if the rally is cancelled by no later than 48hrs before the booking date, for legitimate reasons such as bad weather.
- No discounts are available, except for registered charities who generally qualify for a 25% reduction in mooring fees (proof of charity registration may be required).
