### **Diving Operations**

Diving operations on the Dart Harbour mainstream moorings from No 3 buoy to No 5 buoy will start at 0800 hrs on Sunday 7<sup>th</sup> March for approximately 6 days in daylight hours only. The divers will operate from the Dart Harbour mooring barge "Hercules" which will fly an international code "A" flag during diving operations.

All vessels are instructed to give the barge a wide berth and proceed at slow speed with minimum wash when transiting the area of operations. Further daily updated information can be obtained by contacting "Dartnav" on VHF Channel 11.
