TITLE: Bathymetric Survey of Dartmouth Harbour Dittisham to Higher Gurrow Point

CLIENT: Dart Harbour & Navigation Authority

PROJECT: Annual Survey 2021

Project No: J1997	Scale:	Date:	Surveyed by: TG,SL	
Drawing No: 09/15	1:2500	Nov 2021	Drawn by: PL Checked by: EF	DO NOT SCALE COPYRIGHT

NOTES/REVISIONS:

Contours are only indicative of seabed topography and should be treated as such.

Shore data is approximate and should be treated as such.

SINGLEBEAM SURVEY

Coordinated in OSTN15.

Depths below Chart Datum (CD) in metres.

CD/ODN value applied by UKHO (VORF).

Tidal data recorded by RTK GNSS.

Soundings sorted at 10.0 metre intervals using IHO rounding rules.

Contours at 0.75 metre intervals.

Line spacing: 50 metres.

Surface mounted obstructions are not certainly detected.

Previously estimated/Google Earth positioned pontoons
