

Devon Birds of Prey

At the Devon Bird of Prey Centre, you can encounter some of the world's most magnificent birds of prey. They are showcased in a distinctive and intimate manner that clearly demonstrates the exceptional standard of care and complete dedication to the birds. The evident passion and commitment to these birds underscore the centre's professional credibility, reinforced by its Zoo Licensing.

Take part in prearranged group tours, with flying displays at 2pm. Pre-booked short experiences are available on request where participants can experience flying a bird for themselves.

All sessions are weather dependent and
not available on Mondays or Fridays.
