

Greenway House & Gardens

Walk in Agatha Christie's footsteps!

Arriving at Greenway by ferry is a memorable way to begin your visit. As you cruise along the beautiful River Dart, you'll pass wooded riverbanks, rolling countryside and picturesque waterside villages before stepping ashore at Greenway Quay. From there, a peaceful woodland walk leads you through the estate to Greenway House, Agatha Christie's much-loved holiday home. Explore the atmospheric rooms filled with family treasures and fascinating collections, wander the gardens overlooking the river and discover the landscapes that inspired one of the world's greatest crime writers.

For garden enthusiasts, pre-bookable tours with a member of Greenway's garden team are also available, offering a deeper insight into the history, design and seasonal highlights of this beautiful riverside garden.
